Long Blurb (225 words)

Journey with the Ignatian Spirituality Center this Lent for a nine-day retreat amid daily life. Join daily for one hour, in person or online, and be uplifted by beautiful music, inspired preaching, and heartfelt prayer and reflection. Let us pray together as a faith-filled community for God's healing and mercy in our lives.

The Novena's origins date to 1633, when tradition says St. Francis Xavier appeared to a priest in a healing vision and promised that all who would earnestly ask his intercession with God for nine consecutive days would experience profound grace. The Novena survives today as an annual tradition which is continually updated to remain *relevant* to the daily lives of retreat-goers.

This year's theme, **I am the Beloved!** is a proclamation that names and claims our identity as the Beloved of God, which challenged so many aspects of life, including institutions and systems that attempt to denigrate our human dignity and creation in the Image of God. Through the Novena, we desire to share the many faces and identities of the Beloved, to inspire hope for a Church that honors God's creation, and to model examples of courage and belonging in and for our communities. "I am the Beloved" is more than a sentiment, it is a deep truth, a taproot of our creation that shapes our understanding of everything.
